SUMMARY

Frontend Engineer with 4 years of experience designing responsive web and mobile interfaces using React and React-Native. Demonstrated success in translating business requirements into effective frontend solutions, committed to continuous learning and improvement.

EXPERIENCE

Frontend Engineer
Aladdin Digital Bank   **April 2023 - January 2024, Fully Remote**

· Revitalized the Aladdin Mobile app, enhancing its user interface with a modern design using React-Native, Emotions, and Typescript which contributed to a 30% increase in user satisfaction by implementing intuitive navigation and interactive elements.
· Streamlined API integration with Redux toolkit and RTK Query, seamlessly channeled data into the frontend UI components, reducing feature implementation time by 20% and ensuring a smooth user experience.
· Pioneered Aladdin Business, a web-based project seamlessly connecting mobile and web experiences for business accounts. Translated key mobile app features into the web application using React, Typescript, and Chakra UI, resulting in a 25% boost in user accessibility.

Frontend Engineer
Connou   **August 2022 - February 2023, Fully Remote**

· Spearheaded the development of the company's public-facing website with React and Next.js, implementing optimizations that led to a remarkable 40% surge in user visitation. Promoting product awareness and contributing to a 25% increase in user inquiries.
· Optimized frontend performance by seamlessly integrating the Sanity Headless-CMS API with Next.js, employing data pre-rendering. Achieved a substantial 70% acceleration in website speed, enhancing user experience and streamlining content delivery.
· Enhanced workflow efficiency by 30% through comprehensive and automated CI/CD pipeline integration, pull requests, code reviews, and unit testing which resulted in a streamlined development process.

Frontend Engineer
ALX AFRICA   **January 2022 - January 2023, Fully Remote**

· Excelled in web development and maintenance through intensive training with ALX Holberton School, showcasing mastery in HTML/CSS, JavaScript/React, Python/Flask, and DevOps. Realizing a 30% boost in project delivery efficiency, and adhering to industrial standards.
· Collaborated with peers to troubleshoot and resolve critical technical issues, fostering a culture of knowledge-sharing and continuous improvement. Contributing to a 20% reduction in issue resolution time and enhancing overall team efficiency.
· Achieved AWS proficiency through hands-on training, practical projects, and a scholarship from Udacity/ALX. Graduated and earned an AWS Cloud Developer Nanodegree certificate. Validated expertise, resulting in a 25% increase in cloud-based project success rates.

Frontend Engineer
BeeSpeed Technology   **August 2020 - December 2021, Fully Remote**

· Translated Figma conceptual designs into visually impeccable websites, achieving a 20% improvement in page load times through optimization of HTML, CSS, and JavaScript.
· Implemented plugins and themes to enhance website functionality, increase usability, and improve website performance by 20%. This resulted in a more user-friendly, SEO-optimized, and speed-enhanced WordPress website.
· Augmented website customization with Elementor and Elementor Pro Page Builder, driving a 25% surge in user engagement and a 15% enhancement in site responsiveness. Seamlessly integrated new features, yielding a 20% increase in user interaction and satisfaction.

EDUCATION

Diploma in Software Engineering
ALX & Holberton School · Online · 2023

Higher National Diploma, Computer Engineering
The Federal Polytechnic Ede · Nigeria · October 2022

SKILLS

Languages ->> Javascript/TypeScript, Solidity.
Technologies ->> HTML/CSS, TailwindCSS, JavaScript/TypeScript, React, React-Native, Next.js, Redux-ToolKit, React-Query, UI-libs, Apollo Client, Chrome Extension, NodeJs/RESTful/Express, NodeJS/GraphQL, Firebase, Supabase, Headless CMS, EtherJS, Hardhat.
Methodology ->> AWS Cloud, Digital Ocean, CI/CD, Github Action, Git, TDD, Agile/scrum, Testing (Jest & Vitest, and Playright)
